## **Tropical Veterinary Medicine & One Health in Uganda**

---

### Program Description:

This course focuses on One Health, international animal production and health management, disease surveillance, public health systems, food safety and security, and multi-national cultural exposure. The course is delivered in collaboration with Makerere University in Kampala, Uganda and uses mainly experiential field trips (i.e. farms, field experiment stations and national parks). There is a cultural boma (workshop) and international conference during the last week.

### Program Dates:

June 3, 2017 – July 1, 2017

### Course:

CVM 5906/4990/6990: Tropical Veterinary Medicine & One Health in Uganda (6 credit hours)

### Requirements:

This course is open to Doctor of Veterinary Medicine (DVM) students, graduate, and undergraduate students, particularly Pre-Veterinary Medicine students or those interested in health related careers. All students with at least a 2.5 GPA and sophomore standing are welcome to participate in this program.
