Program Description
With 95% of the world’s consumers living outside of the United States, understanding international trade is critical. What better way to learn and enjoy incredible cultural experiences than visiting Shanghai, China. We’ll tour the Port of Shanghai, the largest in the world; visit farms and farmers markets; explore Shanghai University; meet with trade officials, buyers and other experts; participate in Chinese cultural events in one of the most exciting cities in the world and much more. Prior to our trip, you’ll tour the Port of Gulfport on the Mississippi Gulf Coast and meet with our own trade experts so you’ll be prepared when you arrive in China.
