**Program Description**

Learn Engineering Mechanics I – Statics in one of Europe’s youngest capital cities. Internalize how basic mechanics principles are applied in the design of historic structures as well as modern buildings. Includes tours in Oxford and London as well as personal travel time. Convenient to all of Europe.

**For more information contact Program Director**

Dr. Greg Olsen, olsen@ae.msstate.edu

**Requirements**

Students need to have completed MA 1723 and PH 2213 with a C or better in order to participate in this course. The course is open to undergraduate engineering students with a GPA of at least 2.5.

**Course**

EM 2413: Engineering Mechanics I - Statics (3 credit hours)

**Application and Deposit Deadline**

February 19, 2016 - $150 (non-refundable)

---

**Program Dates**

July 2 – August 2, 2016
